This image shows step 26 of a LEGO Technic castle tower assembly. The structure is built primarily from dark grey and red Technic bricks. It features a tall, multi-tiered tower with a crenelated top. A red flag with a white cross is mounted on a pole at the very top. A red banner with a white dragon-like emblem is attached to the side of the tower. The base of the tower is decorated with grey and white Technic bricks, giving it a stone-like appearance. A red structure, possibly a gate or a wall, is visible on the left side of the base. The assembly is shown on a light blue background.
